I don't have access. I have been trying to figure out how to get to the comments on chapter 4, but still not sure how to do that.

Subject: BB - public comments on g:drive

All - I have placed the files (6050 pdfs) containing the unique public comments on the g:drive - Baker/Ecosystems Tribal and Public Affairs/Bristol Bay/BBWA Public comments. The numbering is the same as the numbering referenced in the comment compendiums.

Phil - not sure if you can access the g: drive. If you don't want to download the zip file and need specific pdfs, let me know.
